*Together, we prepare our students to successfully
meet the challenges of the future.*

I can't believe the weather we have had this week. It has been wonderful getting the students outside for fresh air. Please remember to dress your child appropriately for outdoor recess, as the temperature is changing day to day and there are days we will be going outside. Students do need to have snow boots to play in the snow at recess.

We will not have school on Monday, January 16th for Martin Luther King Day.

Have a wonderful weekend. As always, please contact me if you have any questions, comments or concerns at walter.lin@districtor1.net.

Survey Opportunity: Parent feedback is a crucial component of a successful school district. As a parent in our community, your input is extremely important to us, as we continue to find ways to make our school district even better. Your feedback is also critical to helping us effectively prepare our students for the challenges and opportunities of the future. This survey is designed to help the Continuous Improvement team at your school better understand student experiences. Your responses are confidential, and the survey will take approximately 15 minutes to complete. Below is the link for the survey.
