THE PANTHER PROWL NEWSLETTER

Bennet Elementary
District OR 1

January 6, 2023
Volume 1, Issue 21

*Together, we prepare our students to successfully
meet the challenges of the future.*

I hope all of you had a wonderful Holiday and break. It has been a busy two days here at Bennet Elementary getting back into a routine, and hearing all the fun student stories about their holiday. Your continued support at home is vital in helping this happen-thank you. Please set aside time each day for your child to complete homework or practice reading and/or math facts. Just 5-10 minutes of practice each day can be the difference in making gains in your child's education.

Please remember to dress your child appropriately for outdoor recess; as the temperature is changing day to day, and there are days we will be going outside.

Have a wonderful weekend. As always, please contact me if you have any questions, comments or concerns at walter.lin@districtor1.net.

Sixth Grade Parent Meeting

We are planning a sixth-grade parent follow-up meeting on **Wednesday, January 11th** at the high school **from 6:00 - 7:30 p.m.** This meeting will be held in the media center and will be for parents only.

At the meeting, we will discuss current student progress and an update on the building transition. We will also answer general parent questions, but the main focus will be on cell phones, electronic devices, and how to effectively navigate social media.

The east and west doors of the high school will be open at 5:30 p.m.

Survey Opportunity: Parent feedback is a crucial component of a successful school district. As a parent in our community, your input is extremely important to us, as we continue to find ways to make our school district even better. Your feedback is also critical to helping us effectively prepare our students for the challenges and opportunities of the future. This survey is designed to help the Continuous Improvement team at your school better understand student experiences. Your responses are confidential, and the survey will take approximately 15 minutes to complete. To complete the survey, please go to
